Products with Site Licence: This licence allows you to copy the content to your institution's network or to upload to your VLE as long as access to the resources is only available to staff or students of your institution (i.e. behind a password). Content may be shared with students or teachers directly, via any media, as long as they are members of the school/college and the content is not accessible on the internet or to anyone who is not a member of the school/college.
